Albertus Magnus High School

Dear Parents:

Thank you for your support of our school through the 2009-2010 A+ Bonus Bucks Program. Because of your efforts and support of this program, we were able to raise \$167.84 in CASH for our school.

Stop & Shop would like your feedback regarding A+ Bonus Bucks! A special supporter survey has been posted to the A+ Bonus Bucks website - www.stopandshop.com/aplus. Your input is critical to the future of this program!

Again, thank you for your support of our school. Please look for information regarding next year's fundraising opportunities in mid-August!

Sincerely,

Joseph T. Troy
